## FANTASY ICE REVUE EXTRAVAGANZA

The Fantasy Ice Revue is an unique performance, which was created under multiple champion ice-skaters tutelage. An active participant of the performance is the Emmy-award winner violin virtuoso, Edvin Marton – with 3 ladies' accompaniment, who has composed brand-new music for the program, which he plays live on the ice, on a violin with a value of 4 million dollars, produced in 1697. Popular musical songs, such as Aladdin, Grease, Moulin Rouge or Evita can be found in the repertory. In addition to these, classical music pieces, modern music choreographed dances are also performed by the skaters'.

Due to the plastic ice-rink of the revue the show anywhere can be performed. The ice-rink's speciality, that it is totally

independent of weather conditions, there is not need for refrigeration, water, so it can not be afraid of the melting. It can be set up in city centre, on sport field, in restaurant or on seacoast. From the speciality of the mobile ice-stage ice-show fantasies can be conjured up onto the most incredible places as well.

Programme time: *from 30 minutes to 1.5 hours*

Number of skaters: *4-12 people – as requested*

## 4 FOR DANCE DANCE

4 for Dance Company were founded in 2004 by professional dancers. Their aim is to create a unique style, combining traditional Hungarian folk dance with virtuoso plays of rhythm and lots of humour. They try to bring traditional Hungarian dance culture closer to the people. 4 for Dance became world champion in 3 categories - show, folk and tap - in 2009 Montreal Dance World Cup which was patronized by UNESCO.

They represented Hungary as the next president country of the European Union in February 2011 in Beijing. They have represented Europe on the European Cultural Festival in Algeria twice.

They have performed several times in Abu Dhabi in one of the largest shopping centres in the world, the Marina Mall.

Moreover their programmes have been seen in Brussels in the European Parliament, in Phoenix, San Diego, Los Angeles, Paris and many other European countries and cities.

Programme time: *20 – 40 minutes*

## APRIL PROJECT DANCE

The April Project was established in January 2011 in order to participate in a Hungarian talent contest. The team, having made it into the final, has become well known in Europe. Their performances have introduced a completely new awareness of life, which has been widespread in America for years. They regularly visit the States, in order to learn from the best artists of the profession. This ensures that their gigs are always of the highest class. In their spectacular shows, which

are reminiscent to those of theatre dance groups, they feature a harmonic mixture of different styles. Besides having successful performances they also run a well known dance school in Hungary.

# EDVIN MARTON

## MUSIC

Edvin Marton started to play on violin, when he was only 3 years old. He learned so quickly, at age of 7 he play Mozart violin concertos. Afterwards he moved to Moscow and he passed into Central Csajkovszkij Conservatoire. He learnt the professional exact playing, than he moved to New York where several masters polished him to a perfect diamond. He become professional in classic concertos and he worked up his own style. What would prove more the popularity of Edvin Marton's Crossover music, but the fact that his records are sold in more than 40 countries all over the world.

What would prove more Edvin Marton's genius as a composer and performer, but being the first European to receive the EMMY Award.

The basic show of Edvin Marton consists of a 4 person orchestra accompanying him. However it is possible to enlarge the show with a bigger orchestra or to invite a local symphonic one to accompany the show by dint of sharing the music score.

Programme time: 30 - 60 minutes

# FOOL MOON

## MUSIC

The Fool Moon vocal band was formed in September 2001 by five young men – each with a strong background in classical and light music. Apart from Hungarian pop and folk songs, the repertoire of Fool Moon lists a good number of English and Italian pieces: a cappella versions of songs from artists like Sting, Eric Clapton and Paul Simon. The group has been invited to numerous a cappella events and festivals throughout Austria, Germany and The Netherlands, and has introduced

Hungarian light and folk music to audiences in several venues in towns including Munich, Vienna, Dortmund and Darmstad. In 2005 the band received first prize in pop category at the International Ward Swingle A Cappella Contest in Graz, which placed Fool Moon among the top a cappella groups in Europe. In 2006 the group earned another first place at the competition held in 6<sup>th</sup> Taiwan International Choral Ensemble Festival in Taipei, which spread the news of Fool Moon beyond Europe.
